**As well as the applied inspection procedures are equivalent to the strict regulation of the European Union No. 2092/91 on organically produced goods with concern to**

### **Organic Fresh Mango (*Manguifera indica*)**

In 2004, the authorized BCS inspector, visited the operators and carried out the annual inspection on all levels in the country of origin, Haiti.

BCS is a EU-notified inspection and certification body, accredited by the independent IAF member DAP according to the ISO 65.

This Master Certificate does not constitute any guarantee of product quality, since inspection and certification criteria only refer to EU-Regulation No. 2092/91. It is only to confirm the organic origin.

The certification is the result of selective inspection events. It is the certificate holder who is responsible for the permanent compliance of the above-mentioned standards. In case essential conditions of this certification should not be fulfilled, the certification may be cancelled and the certificate has to be returned to BCS.

This certificate is **no trade certificate and is valid as original only**. Copies have to be marked as such. For sales into the EU, individual transaction certificates have to be issued. The organic production may be indicated on products imported from third countries to the EU only after the responsible authorities authorized the import.
